

Department of Spatial Sciences Student Awards and Scholarships 2016

2016 Spatial Sciences' student award recipients and industry sponsors

2016 Student Awards and Scholarship List

Prizes and Awards

AAM Survey Prize - awarded for outstanding work to the student community.
Shane Leknys

C R Kennedy & Co Pty Ltd "Surveying" Prize - awarded to the best first year student in the Bachelor of Surveying program. **Sin Lam Lei**

Surveying and Spatial Sciences Institute (WA Region) - Spatial Information and Cartography Commission Award for Excellence, awarded to the best first year student in the Bachelor of Science (Geographic Information Science) program.
Sophia Pellicioli

RICS (WA Division) - awarded to the best second year student in the Bachelor of Surveying program. **Robert Kither**

C W A Lewis Memorial Award - donated by the Surveying and Spatial Sciences Institute (WA Region) – Spatial Information and Cartography Commission Prize - awarded to the best second year student in the Bachelor of Science (Geographic Information Science) program. **Liam Robinson**

The Whelans Surveying Student Award - awarded to the best third year student in the Bachelor of Surveying program. **Lewis Walsh**

Adam Technology Pty Ltd Prize - awarded to the best student in the area of photogrammetry. **Lewis Walsh**

C R Kennedy & Co Pty Ltd "Mine and Engineering Surveying" Prize - awarded to the best student obtaining the highest aggregated marks in mathematics in the Mine and Engineering Surveying program. **Alexander Pollard**

Cottage & Engineering Survey Pty Ltd Prize - awarded to the best student in the subjects of geodesy and global positioning systems. **Bjorn Skoog**

Whelans Spatial Information Services Prize - awarded to the best student in the field of cartography and mapping. **Cheng Zheng**

Spatial Industries Business Association (SIBA) Ron Holland Memorial Prize - donated by SIBA (Western Australia Division) - awarded to the best student in the Cadastral Option. **Bradley South**

Fugro Survey Pty Ltd Mine Surveying Prize - awarded to the mining surveying student who obtains the highest aggregated marks in the subjects of plane and construction surveying, and survey computations. **Jhobie Verdejo**

The Tony Pivac Prize - donated by the Surveying and Spatial Sciences Institute (WA Region) - Engineering and Mine Surveying Commission to the best student in the subjects of engineering surveying and mine surveying. **Lewis Walsh**

TechnologyOne -awarded to the student submitting the best final year project or honours dissertation in the Bachelor of Science (Geographic Information Science) program. **Joshua Coniglio**

Hexagon Geospatial Prize - awarded to the student submitting the best final year project or honours dissertation in the field of remote sensing. **John Long**

The Christopher Worth Memorial Prize - awarded to the student submitting the best spatial sciences project in the fields of geological, geophysical or environmental earth sciences. **Todd Lyon**

LandSurveys “Surveying Prize” - awarded to the student submitting the best final year project or honours dissertation in the Bachelor of Surveying program. **Todd Lyon**

Survey Results “Mine Surveying Prize” - awarded to the student submitting the best final year project in the Mine and Engineering Surveying program. **Codie Lehmann**

ESRI Australia Prize - awarded to the best graduating student in the field of geographic information science and programming. **Jeffrey Ball**

The John Cavill Memorial Prize - donated by the Surveying and Spatial Sciences Institute (WA Region) - Land Surveying Commission and awarded to the best graduating student in the area of applied field surveying. **James Delamotte**

The John Forrest Prize - donated by the Surveying and Spatial Sciences Institute (WA Region) Land Surveying Commission and awarded to the dux of the Bachelor of Surveying program. **Todd Lyon**

The Lawry White Medallion - awarded to the dux of the Bachelor of Surveying program. **Todd Lyon**

The N S Bartlett Memorial Award - donated by the Surveying and Spatial Sciences Institute (WA Region) Spatial Information and Cartography Commission Prize and awarded to the dux of the Bachelor of Science (Geographic Information Science) program. **Jeffrey Ball**

The John Balodis Medallion (donated by Alan & Louise Flavelle) - awarded to the dux of the Bachelor of Science (Geographic Information Science) program. **Jeffrey Ball**

The Surveying and Spatial Science Institute (WA Region) Engineering and Mine Surveying Commission prize - awarded to the dux of the Bachelor of Science (Mine and Engineering Surveying) program. **Bruce (Yi) Li**

The Department of Spatial Sciences prize - awarded to the best student in the Graduate Certificate in Geographic Information Science program. **Karen Jolly**

Head of Department Student Citation Award - awarded to a student who has made a significant difference or undertaken outstanding work for the Spatial student community. **Stuart Gralton and Robert Kither**

NGIS Award for Excellence - awarded to the best student in the Graduate Diploma in Geographic Information Science program. **Heath Dalla-Costa**

The D B Johnston Award for Excellence in postgraduate studies in the spatial sciences area, donated by Surveying and Spatial Sciences Institute (WA Region) Spatial Information and Cartography Commission - awarded to the best overall postgraduate student. **Dr Amir khodobandeh**

The Department of Spatial Sciences prize - awarded to the best student in the Master of Science (Geospatial Science) program. **Joshua Nesbitt**

The WASMA Spatial Sciences Department Academic Medal 2016 - awarded to the student with the highest academic performance from the Department of Spatial Sciences within WASM. **Jeffrey Ball**

2016 Scholarships

The McMullen Nolan Group Pty Ltd Surveying Bursary 2016 - awarded to the outstanding full time third year student in the Bachelor of Surveying program who has a special interest in an area of digital mapping or cadastral surveying.

Matt Jilley

Landgate Student Bursary 2016 - the Landgate Bursary is awarded to provide an innovative student the opportunity to combine study with practical work experience related to the spatial sciences discipline. **Kaitlyn Dyer**

The Australian Institute of Mine Surveyors Scholarship - AIMS 2016 has been developed by the Australian Institute of Mine Surveyors in conjunction with Curtin University to encourage and support students who have chosen to study a Bachelor of Science (Mine and Engineering Surveying) at Curtin University and who has demonstrated academic merit and wish to pursue a career in mine and engineering surveying. **Jhobie Verdejo**

The Reg Dowson Mine Surveying Scholarship 2016 - awarded to support a student who studies a Bachelor of Science (Mine and Engineering Surveying) at

the Kalgoorlie campus and has demonstrated high academic merit in the mining and engineering fields of study. **Cody Snabel-Matthews**

The Department of Spatial Sciences Honours Scholarships 2016 - awarded to assist students undertake and maintain academic progress in a designated Spatial Sciences Honours program. **Lewis Walsh, Anthony Saraco and Treesan Perera**

The staff and students of the Department of Spatial Sciences at Curtin University gratefully acknowledge the collaboration and support of partners, major sponsors and awards sponsors.
