The 2017 ConocoPhillips Science Experience with Engineering

December 7, 8, 11 & 12 2017

In just 4 days you can get a taste of what it is really like to be a physicist, microbiologist, biochemist, geologist, engineer and more!

WHO SHOULD ATTEND?
Are you grade 9 this year?
Do you want to get a taste of ‘real life’ science and engineering?
Do you want to have fun and meet new friends?
If yes, then this program is for you!

WHAT IS THE SCIENCE EXPERIENCE WITH ENGINEERING?
This is your chance to get hands on experience with some of the many disciplines of science and engineering, talk to professionals and to discover their passion within a fun and controlled environment.

Enjoy participating in a range of workshops, laboratories and secret activities. All while making friends with new, like-minded people.

Finally cap off the four days with the Science Extravaganza Show that your family can attend too!
CURIOUS ABOUT SCIENCE AND ENGINEERING?

EVENT DETAILS
Who: Students in grade 9 during 2017.
When: 7, 8, 11 & 12 of December, 2017. All Day.
Where: Curtin University, Bentley.
Cost: $200 for 4 days; Meals and accommodation are not provided. Funding is available from your local Rotary Club.

THE BEST PART OF THE SCIENCE EXPERIENCE WAS...
“Definitely meeting new people and learning more about university life.”
“Getting to go to different laboratories and try lots of different things, the experience was great!”
