ASSISTANT / TRAINEE SURVEYOR POSITION AVAILABLE**Metropolitan work**

We are seeking the casual / part-time services of a 2nd or 3rd year student who is looking for experience within the metropolitan surveying profession during their studies.

This is an excellent opportunity to gain valuable experience in your chosen field while earning good money.

LINKS Surveying is a professional land development practice operating within the subdivision, construction, civil, structural, engineering and housing areas and is very client-focused.

All applicants are to provide a covering letter and resume outlining why you want the position and as a minimum personal attributes, education & qualifications, availability and experience.

Please e-mail all applications to:

hr@linkssurveying.com.au

All applications are strictly confidential.
